We really enjoyed our stay, it was great!

13 Nov 2018

We enjoyed everything about this cruise! Everything was clean and the activities we did we good too. You are given so much lovely food your never left hungry! The guides we had were Linh and Vu and they were so enthusiastic and full of information. They were great. The cycling on the island could have had way less stops and more riding in my opinion, but it was still good. The fishing we did on the last day was very quick and we didn't actually do any ourselves. I felt like it was just a way to waste an hour of the day. Overall I would have liked to do the activities for longer.

**Full on fun trip to a beautiful location**

"Boat was great not too big but comfortable. Great locations visited with good kayaking. Food on board was delicious and we were well looked after during the busy 3 day trip.No We had four guides during the three day cruise so some information got lost in translation. But this didn?t spoil our trip."

We stumbled upon this cruise while searching for something nice that wouldn't break the bank! Turns out to be the absolute best booking we made all due to our phenomenal guide! Right from the get go he was charming, funny, knowledgeable, professional and incredibly easy going. The entire trip he went above and beyond making sure each and every guest was safe, comfortable and having the time of their lives. Thank you so much Vu for making our time in Ha Long Bay unforgettable. They are incredibly blessed to have you as a guide.
